

UOF - Missing markets

Currently, some outright markets available in LCoO are not available in Unified Odds. This is typically markets where Betradar has not yet associated the outright with a particular sport-event. These will be continually added over time.

Some example events could be:

- ATP - Australian Open 2020 – Winner (Tennis)
- Commonwealth Games 2021 Women – Winner (Rugby)
- PDC World Championship 2023 – Winner (Darts)
